

# SEND A CHILD TO CAMP

Whether or not you can come to camp, you could make it possible for a child to come to camp.

\$179 will give a child a full four days and nights at Arizona Mountain camp. Many more families with two or more children would be able to come to camp if they could get financial help from others to provide for one or more of their children's camp fees. \$179 is only \$2.00 a day. If you saved all your spare change over a year you could probably raise at least that much.

If \$2/day is too much, every \$ you donate will add up, and along with others will make it possible for us to give children a wonderful camp experience in the context of the New Church and Sunrise Chapel.

You could be making a gift to a child's future. They will take wonderful memories and important knowledge with them as they leave camp.

And remember that all donations are tax deductible.

Thanks so much!  
Glenn Alden
